Kids' Activity Tent:

The inspiration for the Kids' Activity Tent (KAT) was so that their folks could relax and enjoy the festival! At KAT, Ages 4 and up can be checked in and left, if the responsible adult has a cell phone and remains on the Festival grounds. Any child younger than 4 needs their own minder of at least 15 years of age. The Kids' Activity Tent (KAT) offers painting, bubbles, bracelet stringing and other crafts plus lots of supervision from adults experienced in young child education and entertainment. Please see the map for location. Open 10-4 each day.

A Little Bit of History:

Ketchum Arts Festival's first years were small events held in downtown Ketchum. The first artists envisioned a show featuring local artists, that would boost up beginners by offering an incubator of support.

Now in our 28th year, KAF is still supplying a venue for beginning artists and professionals alike. Everyone loves the grassy venue, the dog-friendly attitude (on a leash of course), and the continuation of a fine Valley tradition.
